

A brand new website for NO-NAIL BOXES.

Wiltz, 16th March 2015. **NO-NAIL BOXES (Groupe ALIPA)** is proud to announce the online launch of the new version of its website www.no-nailboxes.com. Fully revamped, this improved interface presents itself as modern, dynamic, complete and adaptable.

The Luxemburg manufacturer of industrial plywood and steel folding boxes has completely restyled its website, an essential support to trade its packaging.

"New technologies evolve very quickly, our website had become outmoded: it needed a spruce-up. This restyling also allowed for an optimisation of its SEO" says Michèle Detaille, Managing Director at Groupe ALIPA, the group NO-NAIL BOXES is part of.

Intended for packaging professionals, chemistry, metallurgy, defence, weaponry manufacturers, etc., this new website has a definitely more modern look and is lighter and more visible, whilst being very exhaustive.

"The catalogue, size of our stock, presence in trade fairs, videos, new products... by browsing across the various pages, manufacturers will easily find a wealth of information on our packaging. In a few clicks, they will be able to download detailed technical data sheets on our plywood and steel folding boxes" says Ms. Detaille.

Available in English, French, German and Dutch, this new version is also "web adaptive", i.e. it automatically adapts to the size of the screen of a computer, tablet, smartphone, etc. to make it easier for users to browse through it.

Enjoy your visit! www.no-nailboxes.com

More info on NO-NAIL BOXES (www.no-nailboxes.com)

Based in Wiltz (Grand Duchy of Luxembourg), NO-NAIL BOXES employs around 70 people. It has been making plywood and steel folding boxes since 1961 for use in the industrial defence sectors. Every year, about 300,000 boxes, 85% of which are custom-made, come off the production line. Clients, in France, Benelux, Germany, Switzerland, Spain and Italy, generally use these boxes for large-scale exports and ship them around the world by air, road or sea. NO-NAIL BOXES has an ISO 9001, ISO 14001, PEFC, AEO and CSR certification.

The company is part of the [ALIPA](#) group, which consists of 7 companies: NO-NAIL BOXES, CODIPRO (which designs and manufactures lifting rings), AllPack Services and WaluPack Services (for packaging and shipping), LIFTEUROP and STAS (manufacturers of lifting material and accessories).
